

Community Opinion Summary Sheet

Take some time to summarize your findings on community opinion. Consider the results of the assessment techniques described in *Moving to the Future*. Remember this is a summary of what the community thinks – not what you think or what the data indicates.

At this point you do not have to prioritize your list nor do you need to try and keep the list of concerns short. The next chapter includes guidance and tools on setting priorities.

Community Concerns: (may or may not be nutrition- and physical activity-related)
